E. coli
Salmonella
Shigella
Hep A
Hep B
Non-A,B
Mening.
Pertussis
TB
Chlamydia
Gonorrhea
AIDS
Pesticides†
Lead§#

* Data are provisional based on reports received as of February 28, unless otherwise noted.

† Unconfirmed reports of illness associated with pesticide exposure. Numbers of cases reported has increased due to recent implementation of electronic reporting. Numbers include individuals who did not see a health care provider. Most cases are mild.

§# Number of elevated tests (data include unconfirmed reports) / total tests performed (not number of children tested); number of tests per county indicates county of health care provider, not county of residence for children tested; # means fewer than 5 tests performed, number omitted for confidentiality reasons.
